**CORRECTED TERMINAL DISCLAIMER AND STATEMENT UNDER 37 CFR 3.73(b)**

Commissioner for Patents  
Alexandria, VA 22313-1450

Sir:

The below-named attorney of record, authorized to sign this disclaimer, hereby disclaims the terminal part of any patent granted on said application which would extend beyond the expiration date of the full statutory term of United States Patent No. 6,337,879, and hereby agrees that any patent so granted shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to U.S. Patent No. 6,337,879. This agreement is to run with any patent granted on said application and to be binding upon the

PATENT  
450100-4072.1

grantor, its successors or assigns. Title to the present application is in Sony Corporation, a corporation of Japan, by virtue of an assignment from the inventors of the parent application (U.S. Patent 6,337,879), from which the present application is a continuation. The assignment was recorded in the Patent and Trademark Office on February 23, 1998 at Reel 008986, Frame 0518.

The evidentiary documents accompanying or referred to in the Terminal Disclaimer have been reviewed by the undersigned and it is certified that to the best of the assignee's knowledge and belief, title is in the assignee seeking to take action.

The below-named attorney of record does not disclaim any terminal part of any patent granted on said application prior to the expiration date of the full statutory term of United States Patent No. 6,337,879 in the event that said U.S. Patent 6,337,879 later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. 1.321(a), has all claims canceled by a reexamination certificate, or is otherwise terminated prior to expiration of its statutory term, except for the separation of legal title stated above.

A check in the amount of \$130.00 to cover the cost of this Terminal Disclaimer was previously submitted with the Amendment filed on September 7, 2005. Please charge any insufficient fees or credit any overpayment associated with this Terminal Disclaimer to Deposit Account No. 50-0320.

Respectfully submitted,

FROMMER LAWRENCE & HAUG LLP
